FOREWORD

Everyone has his own special dream, his own important goal in life. It may be a profession, a title, or plain fun. No matter what it is, though, it takes at least a good part of a person's life to reach it, for many obstacles must be overcome first. For some, the summit of their mountain will be reached in June when they graduate from high school. For others, graduation is only one peak, with many more mountains ahead. But in either case, graduation will have signified twelve years of the greatest aid anyone can get in his search for the dream that will last as long as he lives.

"Till you

HERBERT J. WORBOYS
Supervising Principal

Mr. Worboys, the class of 1965 will always be grateful for the aid you have given us in searching for our lives' dreams. We realize that you were striving even before we started school to provide every one of us with an education which would help him to climb every mountain. All during our journey through school you were working at this constantly. You not only worked *for* us, you worked *with* us, finding time and concern for any one of us who came to you with a problem or request. As a token of our appreciation and a memento of your thirty-seven years of service, we dedicate the 1965 Hornet to you.

find your dream" -

SUPERVISING PRINCIPAL

The work and responsibility involved in the position of Supervising Principal is tremendous and little realized by most students. Generally, he is responsible for the co-ordination of the school and its many aspects—the Board of Education, the personnel, the management, the students and parents, and the general public. When an educational problem or need arises in school, the Supervising Principal not only acquaints the Board of Education with it, but works hard to find a solution himself. When the Board makes a decision or policy, he is responsible for carrying it out and making it effective. He is constantly working on plans for the advancement of the whole educational program, keeping aware of the latest ideas in modern education. Working with his staff, he develops a program for the selection of teachers who will give students the full advantage of their subjects. Not the least of his duties is to keep close contact with pupils and their parents, and promote good relations among students, personnel, and public.

BOARD OF EDUCATION (*seated*) Mr. Herbert J. Worboys; Dr. John Proper, president; Mr. John Carter, vice president; Dr. Ruth Northway. (*standing*) Mr. E. Perry Hicks; Mr. Wilbur VanMarren; Dr. Leonard Fenninger; Dr. Clare Smith; Mr. Lauren Smith; Mr. Andrew DeVries; Mr. Carl Powell.

Our administration helps provide

BOARD OF EDUCATION

Members of the Board of Education give valuable time and effort to see that our school system is efficient and up to date and that it provides students with the greatest possible benefits in education. The Board of Education meets once a month to discuss modern methods of education, student-teacher relationships, school policies, and problems which have arisen. Behind each meeting is a month of research and thought.

SUPERVISING PRINCIPAL

Expanding knowledge has increased our information about space, brought the world to our doors, made neighbors of all races, stamped out diseases, and explored deeply the human mind. However, this knowledge has not solved many complex social, political, and economic problems which have become more complex by the very nature of such information.

Three qualities are greatly needed in America today which are possible in some degree for everyone who will strive to deliver them. One of these is wisdom which is the ability to judge soundly and deal sagaciously with facts and especially as they relate to life and conduct; another is character which is that moral vigor which is acquired through self discipline; and the other is courage which makes it possible for one to be wise and just.

I challenge every member of the Class of 1965 to live a full, satisfying and rewarding life by striving always to develop and use his character, wisdom and courage in solving his personal problems and the problems of his community.

Mr. Herbert J. Worboys

HERBERT J. WORBOYS

MR. E. PERRY HICKS
High School Principal

DR. RUTH M. NORTHWAY

Initiative—know-how—adaptability to change—moral strength—and a desire to help accomplish the goals of our society, are prerequisites to the successful life for which all graduates, these qualities are well established and that they will guide you through a successful future.

Dr. Ruth M. Northway

the means for achieving future goals.

MR. LAUREN SMITH

Mr. Lauren Smith has joined the office staff this past year as Business Administrator. He is responsible for handling many of the financial transactions which make up our school budget.

MR. LEROY COBURN

MR. DAVID BORDEN

As our guidance directors, Mr. Coburn and Mr. Borden have become a necessary part of our high school education. Having personal contact with the students, they help them to find the subjects which will be most beneficial to their interests and future goals. These men start their work with ninth graders and follow them through their high school years. When these students reach their senior year, Mr. Coburn and Mr. Borden help them to choose colleges and jobs which suit the needs and desires which confront them.

Our dear friends give us wonderful memories

RICARDO ALBERTO ESCORIAZA

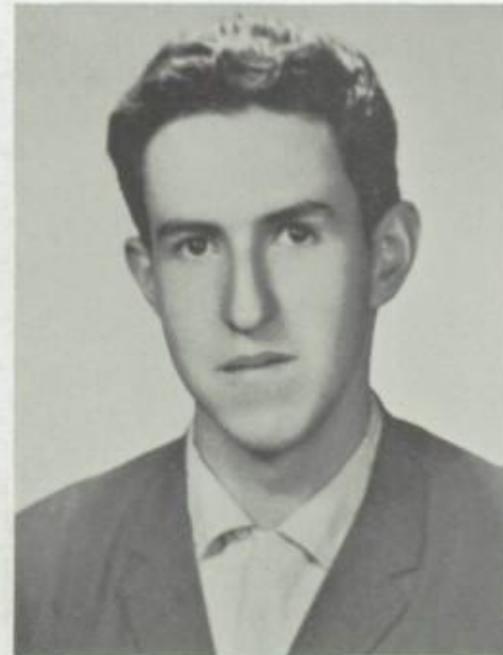

This picture is the symbol of my arrival to a great community, Honeoye Falls. This year is just like a beautiful dream, for it has a beginning and an end. Those, unfortunately, are too close together. But in the middle of the "Hello" and "Good-bye" there is a year full of experience shared with my family, the school, and the wonderful class of '65, that I will never forget. In this space remaining there is only one thing left for me to say: Thank you, Honeoye Falls, for all you gave me and especially for the chance to be in your school, and for making this year the best of all for me.

HUMBERTO TORAL de CERDERO

The class of '65 enjoyed having Humberto Toral de Cerdoro as a fellow student last fall, and we wish he could have stayed with us longer. Humberto is now home in Quito, Ecuador, where next September he will enter college to study law.

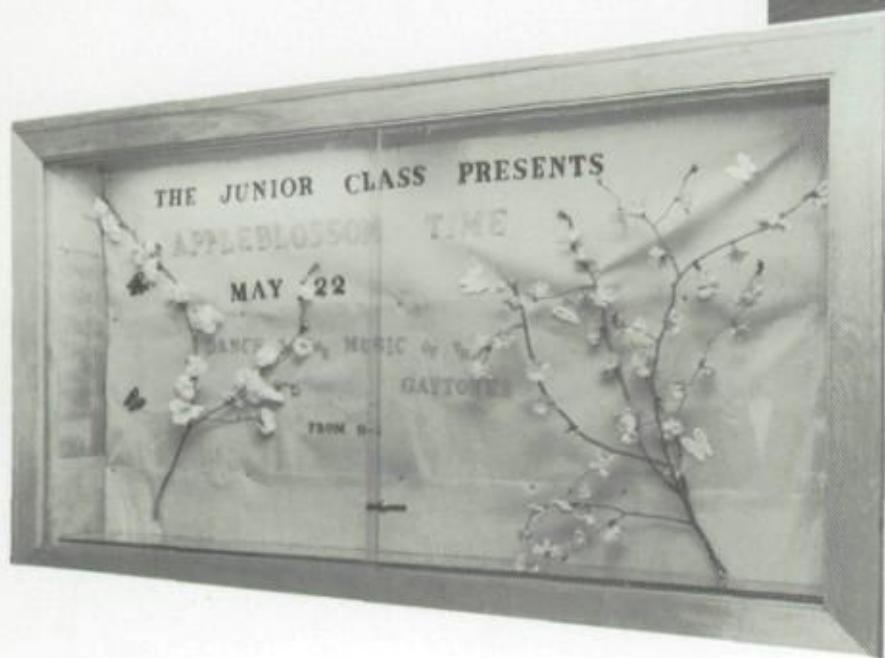

What senior does not remember the bright smile and warm personality of "Bert"? Berthier Valasquez became an active member of our senior class, although he will graduate from his own school in Armenia, Colombia in two years. After graduation, Bert plans to become an aviator.

LUIS MORANTO de las RIOS

This January the New Year brought us Luis Morante de las Rios from Lima, Peru. "Lucho" is a Sophomore at his school, and is active in swimming, soccer, and basketball. After he graduates he plans to make a career in the Navy.

Our Junior Prom

The theme of our Junior Prom, the beautiful "Apple Blossom Time," was perfect for May. Throughout the cold months of early spring we were busy painting murals, creating the wishing well, growing sweet potato vines, and making the apple blossoms petal by petal. Time marched on and soon it was April. We were caught by the spell of mild, colorful spring and worked with greater ambition as the days flew by. The big day arrived. All day the gym swarmed with Juniors and paper littered the floor. Suddenly it wasn't a gym—it was an enchanting garden of pink and white flowers on the trees, offset by multicolored flowers dancing beneath them. The most bewitched blossom of all was Carol Hoh, the lovely Prom Queen.

Her Majesty, Queen Nancy Carroll, and her escort, Jim Sensenbach.

Every girl at "Swiss Chalet" was a princess: Carol Hoh and Diane Corby smile as a couple prepares to enter the magic mountain.

Everyone gathered at our Swiss bar: Nancy Broadwell, Dianne Fallon, Bruce Walker, Duane Fuller, Barbe Prime, Mark Maboll.

SENIOR BALL

The doors of the Honeoye Falls gym opened up at 9 p.m. on December 29, and couples entered through a majestic mountain into our "Swiss Chalet." A rustic bar, a sleigh, a billowy snowman, and a glowing hearth created the exciting atmosphere of Switzerland. Nancy Carroll became our queen with Jim Sensenbach as her escort. Carol Sabey with John Meisenzahl and Colleen Crane with John Karle made up her court. Dressed all in white, Nancy made a lovely queen. One o'clock brought the end of a beautiful dream and the beginning of a memory every member of the Class of '65 holds close to his heart.

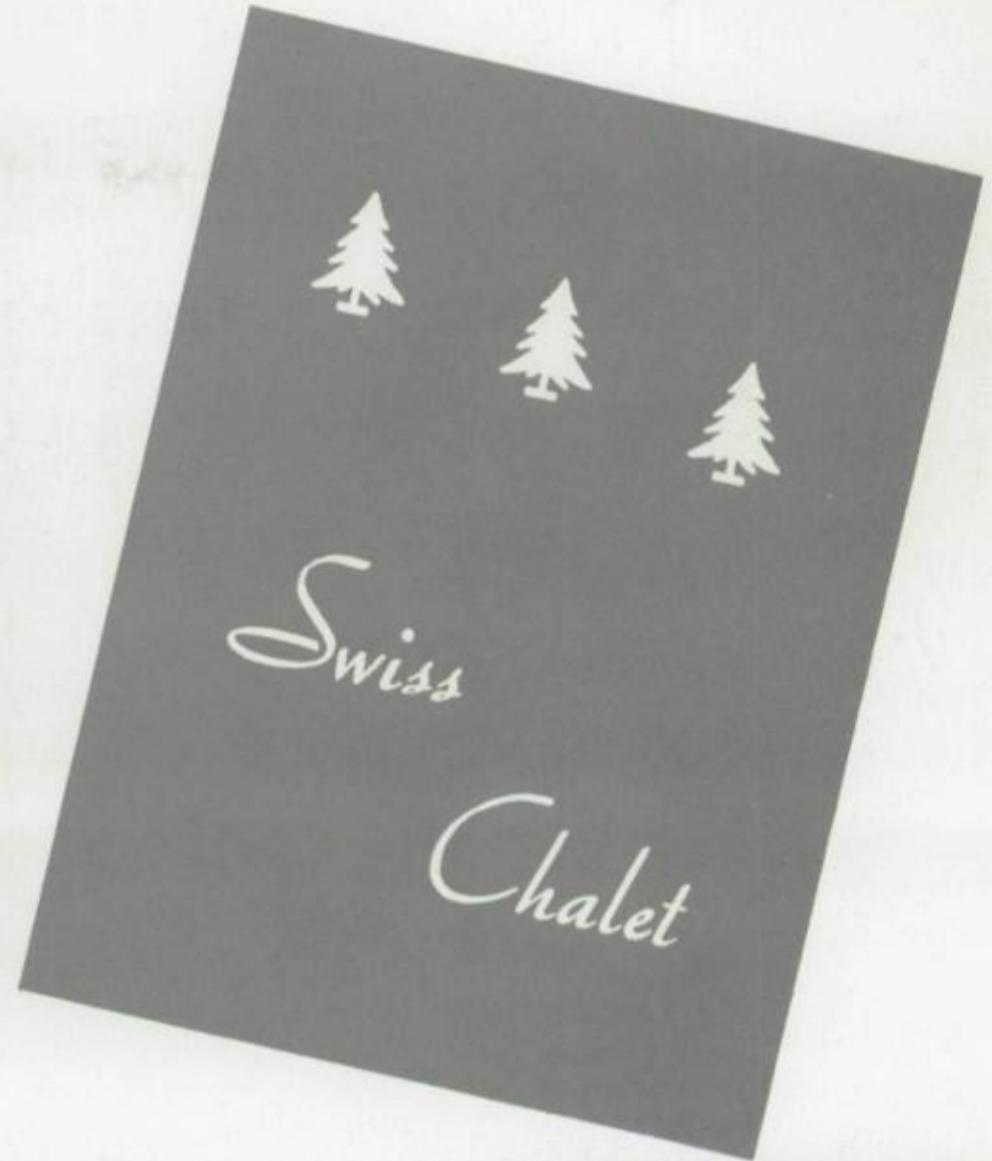

a memorable evening

Off on a sleigh ride through a beautiful dream are: Ricky Escoriaza and Sue Zuber.

Senior Play 1964

Our Fabulous Director
MRS. ANN C. HICKS

"The Family Nobody Wanted" deals with the tender, poignant, true story of the Doss family. The children in the family confront a problem which is universal today—that of prejudice against people of "different" backgrounds. Their thoughts, wants and needs are the same as those of any adolescent, but their heritages are mixed. The play presents the story lightly, with the humor that touches every family, yet with the solemnity which provokes deep thought. Our cast and crew did a tremendous job, and when the curtain descended, the applause indicated that the audience had adopted "The Family Nobody Wanted."

STUDENT COUNCIL

This September the Student Council sponsored a pep rally in order to whip up spirits in support of sports activities. The snake dance, bonfire, cheers, refreshments and films of last year's sports proved a huge success. In this year's magazine campaign, the Student Council saw the sales rise well over the quota. This assured the Student Council and the student body of enjoying the friendship of an exchange student, under the A. F. S. program, another year. Other projects this year were the Donkey Basketball game, Student Teacher Day, and the formulation of a central fund to finance a bulletin board. These have been as successful as the pep rally and the magazine campaign.

HONOR SOCIETY

Every spring and fall the National Honor Society holds its inductions. At the traditional candle-lighting ceremony worthy Students are selected for membership. When they take the solemn pledge they promise to uphold the club's ideals of scholarship, leadership, character and service.

As the funds from their daily candy sales rise so do the spirits of the Senior members. The profits from these sales are used to pay the members' expenses on their annual trip to Washington, D.C. Their final goal, however, is to maintain their high ideals through high school and beyond.

the awards they so rightly receive.

The Elmira College Club Key award was bestowed upon Diane Schumacher this year, as a result of her participation and leadership in a variety of activities. The basis of this award is that many interests develop a well-rounded personality.

The recipient of the Bausch and Lomb award is James Sensenbach. The award consists of a medal, which is displayed in our showcase, and a University of Rochester scholarship, and is given to a Senior outstanding in science.

Diane Schumacher is our Betty Crocker "Homemaker of the Year" this year, having used good judgement, skill, and aptitude in a test which includes owning and maintaining a home, and caring for the physical and mental needs of a family.

MATH CLUB (*first row*) C. Aldrich, G. Aldrich, L. Millard, R. Akin.
(*second row*) Mr. McCagg, A. Heath, J. Laemlein.

MATH CLUB

Math Club meets to discuss math. The members examine new theories and concepts and their practical applications. Mr. McCagg, their advisor, helps them in understanding these concepts and ideas. The members increase their knowledge and develop their interest in important mathematical discoveries. This knowledge is beneficial to the members because of the growing role math plays in today's society. Members interested in technical careers will find their membership an aid in their future studies.

SCIENCE CLUB

The Science Club members meet to investigate advances in science. Mr. Petix fulfills his position as advisor by introducing these new concepts and explaining them to the members. Since science covers such a broad area, the members are instructed in the various fields of biology, chemistry, and physics. Their discussions sometimes involve mathematics because of its growing connection with science. Science is becoming increasingly important in today's business world, and the members receive experience that will undoubtedly be beneficial to their future.

History Club is an organization of students who have expressed an interest in the current events of the world. Under the leadership of Mr. Farrell, these members do research on and discuss those events and issues which may greatly affect the countries involved. In addition, they take advantage of films which explain certain aspects of recent topics. Because of these efforts, the members of History Club gain an interest and understanding in current affairs and therefore become more informed and responsible citizens.

COMMERCE CLUB

Commerce Club members learn more about the business world in many ways. Guests speak at meetings about job applications and various aspects of business machinery. In the spring the club tours a well known business in Rochester to get an idea of office work. Around Christmas time the club sells candy and candles in order to earn money, which is awarded at graduation to two seniors who are about to enter a career in business.

MR ABEEL, Advisor

The 1965 Hornet is a realized dream.

The 1965 HORNET has been an interesting and unforgettable experience for its staff members. It has helped us realize the value of team work and close co-operation, for without these there would be no Yearbook. Together we planned the HORNET, suggested ideas, discussed, and argued; and when a decision was made, we were sure that it was the best.

We were especially grateful for Mr. Abeel's aid. Individually, each had his own special job, and put his heart into his work with his mind. We were rewarded when we saw that our divisions had come together to form our HORNET and that it was a Yearbook that the whole class could be proud of.

More than a year ago, ten ambitious eighth graders compiled a small handprinted newspaper consisting of a front page, feature page, and "comix" page. As the content of the paper increased, the enthusiasm, drive, and countless ideas of its young staff, and the number of readers also grew. Now the newspaper is officially named "THE WASP," and its ninth-grade staff has succeeded in publishing a lively, interesting paper enjoyed by high school as well as junior high students. Future plans? To invade "The Hornet," of course!

LATIN CLUB

Latin students who have completed at least one year of study are eligible to become "Roman citizens" in the Latin Club. Members meet bi-weekly to further their knowledge and deepen their interest in the history, culture, geography, and language of ancient Rome. Highlighting the year is the Roman banquet, at which the Latin I students join the citizens as their slaves. Mrs. Peters, the advisor, makes sure that the food is typical of an ancient Roman feast.

LIBRARY CLUB

Library Club, under the supervision of Mr. Mulherin, combines learning with pleasure. The members spend their free periods helping in the library. Here they can be found arranging displays, putting away returned books, and checking up on overdue books. While they are performing these services they are also learning the various phases of the library system, such as categorizing books. The members also gain a well-rounded appreciation of books from their experiences with many different types of books.

CHESS and CHECKER CLUB

Chess and Checkers Club was formed this year by Mr. Williams. The members enjoy playing these games and developing their skills. They study various techniques and strategies which will improve their game. By competing with each other they can practice these moves and learn to use them to their advantage, resulting in a better game. For those interested, the club provides a combination of instruction and enjoyment.

DRAMATICS CLUB

Those who have a talent for acting find in Dramatics Club a perfect opportunity to express and enjoy their skill. Members study rules, skills, and methods of the stage, and use them to develop and enhance their talent. Each year, after months of using what they have learned in hard practice, they entertain us with a play. This year, Mrs. Smyth directed the club in a hilarious comedy, "The Man Who Came to Dinner."

ART CLUB

Art Club is a group of student interested in understanding the various phases of art. Under the direction and supervision of Mrs. Scholnick the members develop their talents in the field of their choice. Studies in abstraction, color, and design are illustrated in oil paintings, water colors and sketches which are displayed in the showcase or on the walls of the school.

F. T. A.

Future Teachers of America is an organization of ambitious students interested in careers in education. They get experience by "practice teaching" in the elementary grades. By doing this they get the feel of teaching which they could only get by actual practice. Miss Kiehle supervises the members in their activities and services.

HEALTH CAREERS

The Health Careers Club is designed for those who are interested in a career in any field of medicine, from veterinarian to medical secretary. With Mrs. Steffen the members learn more about their chosen fields of medicine and are introduced to new fields through meetings, visits to hospitals, and various community services.

What would we do without our Audio Visual Club to help us out with our activities? Those who have a knack and an interest in the equipment and mechanics involved in audio visual devices practice their skill and learn about new developments in the field. The club makes it possible for students to further their education by seeing movies which help explain various subjects. Members also help clubs and classes show entertaining movies in the evening, and operate the record player at dances.

SENIOR BAND and JUNIOR BAND

Often in the fall and spring, students stop their work to listen to the beating of drums and strains of music as the Junior or Senior Band marches by. The Junior Band, directed by Mr. McKerr and the Senior Band, directed by Mr. Percival, are composed of students who master one or more instruments. They entertain us at our spring and fall concerts and assemblies. This year the Senior Band also participated in an exchange program with Hilton High School's band.

GIRLS' CHOIR

Girls' Choir is a recently formed organization which is made up of eight girls especially interested in vocal music. With their accompanist, Jim Sensenbach, they perform each year at the fall and spring concerts and often are asked to perform for various organizations in the community. The girls work hard, give a lot of time, and have a lot of fun.

BOYS' CHOIR

"The fun of singing" is the purpose of the Boys' Choir; and a gay time is had when the eight members meet with accompanist, Linda Amorese, to sing barbershop-quartet style. The boys select their own members by vote from outstanding members of the Senior Choir, and Mr. Abeel provides music and excellent advice.

DANCE BAND

The eighteen members of the HI-LITES, our dance band, give an hour and a half of their free time each week to perfect their music for our enjoyment. The HI-LITES, specializing in big band music, entertain once a year at a dance which is attended by young and old alike and is always a huge success.

PEP CLUB

Every year the active members of Pep Club encourage support for school sports, especially basketball. Their cheering backs the Cheerleaders and arouses spectator participation. Visiting teams are welcomed by their posters and after every game the weary players are refreshed by their cookies.

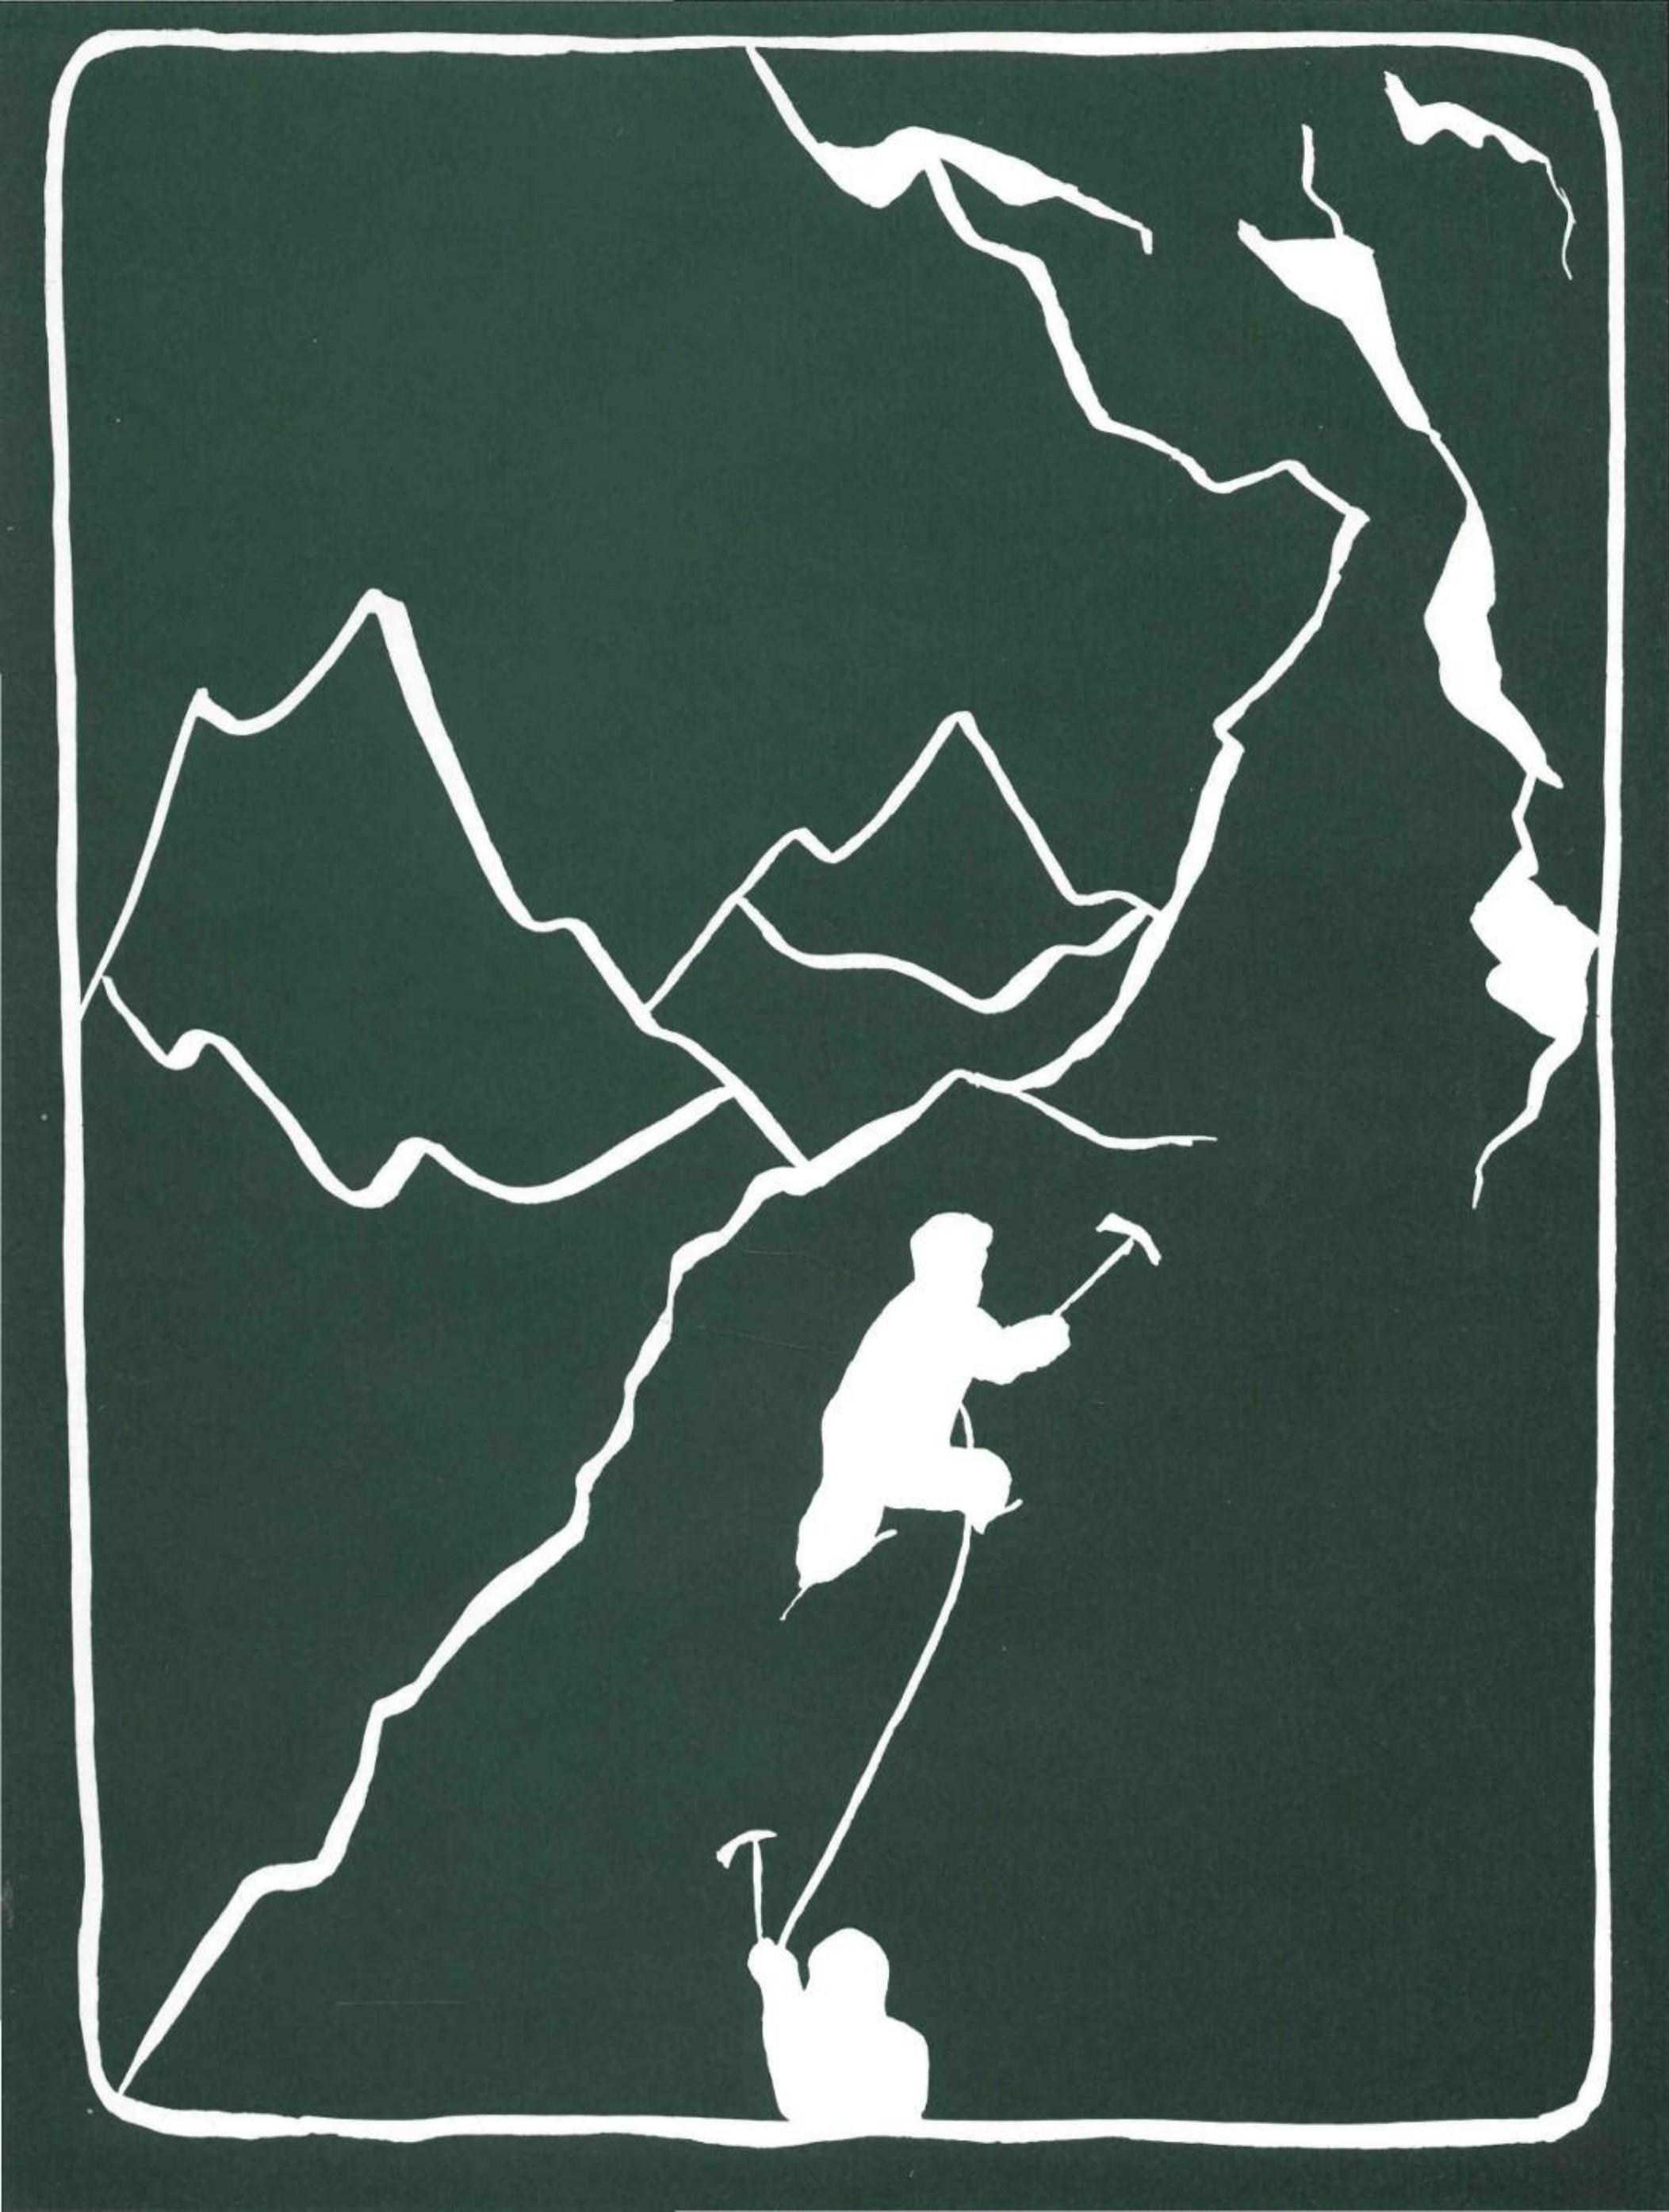

of doing things together.

SKI CLUB

Devotion to their sport is displayed by the fifty-six members of the Ski Club. Besides spending much of their free time skiing on their own, the members take trips together to nearby ski resorts for a day of thrills and spills. The ski season is climaxed by a trip to the Adirondacks for some members. Qualifications for this trip include amount of service to the club, attendance on trips, and attendance at meetings. This year the club spent a weekend at Old Forge.

LEADER'S CLUB

Leader's Club is a very active girls' athletic organization. The members referee the many different sports in gym classes and in intramurals. Some of these sports are: basketball, baseball, soccer, field hockey, and volleyball. The girls organize and officiate in playdays that include many schools. The Senior members again played the women faculty in an unforgettable basketball game.

COACH O'DEA

Under the leadership of Coach O'Dea, the Varsity Soccer Team fought to a 4 and 8 record. The competition was tough as indicated by the closeness of the scores. The Hornets lost by 1-0 scores to Hilton and Pittsford and by a 2-1 margin to Churchville. Wins in these games would have made a great difference in league and overall standings. The J.V. Soccer Team finished a well fought season showing several fine prospects for future H. F. Soccer Teams. Returning soccer players look forward to strong teams next year.

VARSITY BASKETBALL

The Varsity Basketball Team compiled an excellent record of 13-3. The Hornets won the Class A-B League Championship with a 9-1 record. Although the Hornets lost their first game of the year, they went on to win 12 in a row before another loss. In the Sectional game held at Rush Henrietta, the Hornets met a sharp shooting Livonia team. In the first half the Hornets found themselves 14 points behind. In the third quarter the Hornets fought especially hard and came within four points of Livonia. But time ran out on the Hornets; and they lost the game by six points, thus ending a fine season.

JUNIOR VARSITY

The Junior Varsity completed another year under Coach Fraver and managers, Mike Carroll and Pete Judd. The J. V.'s finished the year with a record of 4 wins and 11 losses. The highlight of the season was when the J. V.'s defeated Wheatland-Chili with a score of 57-22. Many of the J. V. players will be a big asset to the varsity team in years to come.

"Basketball is the glue that holds a small town

together during the long winter months". This statement applied to the feelings of the whole town this year, not just the team and the students. Everyone closely followed the actions of our championship team. Our hopes of a sectional championship followed our boys to the quarterfinal game. Although the team met defeat, the successes of the season will not soon be forgotten.

WRESTLING

This year's Wrestling Team, under the very capable coaching of Mr. Brown, concluded a very fine season with many outstanding individual records. The team record stands at 7 wins, 6 losses, and 1 tie. This year two boys wrestled their way to Section 5 championships—co-captains Terry Habecker and Jack Schirer. Also there were 5 Monroe County champions: Terry Habecker, Jack Schirer, Mark DeVries, Kevin Sipple, and Tom Horan. Other outstanding records achieved by wrestlers were: underclassmen: Jack Schirer, with a record of 18-1, Kevin Sipple 12-3-1, Tim Lewis 8-4-2, Tom Horan 6-8-1, and seniors: Terry Habecker 19-0, Mark DeVries 11-6, and Greg Proper 10-5. With the conclusion of his high school wrestling, Terry Habecker has captured every school wrestling record. His accomplishments have set a high goal for future wrestlers to meet. Other senior members of the team are: Jim Sensenbach, Don Menz, Glen O'Brien, Jim Butts, Steve Kennedy, and Bill Barrett. Although losing many of their finest wrestlers, the team has great potential for the upcoming season.

VARSITY BASEBALL

The Varsity Baseball Team, under the guidance of Coach Starwald, compiled a 7-7 record in league play. The Hornets fell to Clyde Central in the Sectionals. The highlight of the season was the final game against Webster which was played at Red Wing Stadium. Though there were only three holdovers from last year's team, the Hornets have had a good season.

TRACK AND CROSS COUNTRY

This year, the Cross Country Team placed fourth in Class B standings. The boys worked hard under the direction of Mr. Marafioti. With many of the boys returning next year, the team looks very promising and should compile a fine record. The Track Team, also under Mr. Marafioti's direction, is the team that includes many diversified spring sports. The boys participate in numerous events including: distance running, hurdles, broad and high jumps, shot put, and pole vault.

VARSITY CHEERLEADERS

Cheerleaders gain honors in competition.

Everyone is proud of our two Cheerleading squads. These girls have done an outstanding job in cheering our championship teams to victory. With many new cheers, the Cheerleaders have led the spectators in good sportsmanship and school spirit. Besides cheering at the games and practicing every week, the Cheerleaders organize and participate in many pep rallies.

Last year at the CYO Cheerleading Tournament, our girls competed against approximately 100 other squads. The varsity squad took 1st place in their division and the junior varsity 2nd in theirs.

ALMA MATER

Hail to thee, our Alma Mater, loud
thy name shall ring.
All thy loyal sons and daughters
praise to thee shall bring.
Bye and bye, our school days ended,
facing life's stern test,
We'll be true to all you taught us,
We will give our best.

When the shadows 'round us falling
mark the close of day
Memories of the past recalling,
softly then we'll say:
Honeoye Falls, Honeoye Falls, far
and wide, scattered we may be;
But our hearts will still be loyal,
Honeoye Falls to thee.
